

# 1940s

- During the war years many servicemen were billeted at Bowman Field. Lakeside Swim Club was a favorite place to cool off and socialize.
- Lakeside produces its first Olympians — Anne Hardin Grimes and Mary Moorman Ryan Caldwell.
- Lakeside becomes a membership club in 1945.
- 1947 — Lake is pumped out allowing removal of boulders and mining rail tracks. Quarry floor and walls could now be cleaned.
- Lakeside's first shallow water area is created. City water is used to fill "the Lake".
- Chlorination system installed for sanitation of swimming water
